

INTRODUCING **Tony Golley**

Tony is a business advisor with Icon Business Solutions, a global company providing Small and Medium sized business owners with practical ways of improving their businesses and their lives

Tony has worked in Advertising, Marketing and Public Relations for 25 years during which time he worked with companies such as: Jaeger, Bang & Olufson, ITT/STC, House of Frazer, British Airways Holidays, Wales Tourist Board, Catnic Components, Hepworth Building Materials.

Tony established Payne Golley Associates in 1985 which within 5 years had become the second largest advertising agency in Wales, with clients such as Welsh Water PLC, Chartered Trust & Savings, Wilkinson Sword Garden Products, Bank of Wales.

Tony went on to head the development of an Electrical Installation Company specialising in complex Audio Visual and associated equipment projects.

Tony has also been Managing Director of an Audio Visual Software Company specialising in Retail Displays, Travel Signage and Internet Usage.

During the 1990's Tony was an independent business consultant travelling extensively throughout the UK working in a wide diversity of industries and company types.

Tony is passionate about helping others achieve their dreams and feels that ICON's solutions represent the very best investment for any business owner who feels overworked, underpaid and / or underappreciated.

Tony is a keen sailor and has taken part in many regattas around Britain. He has 3 grown up children who are all achieving incredible results in their chosen professions.
